2022-2023

The students are important stake holders of the Institution. Students, Teachers, Parents and Alumni play an important role in evaluation, development and enhancement of the quality of the learning process. The student feedback on different aspects of assessment of the teachers and college were collected and analyzed. A total of 681 students from all streams participated in the survey. The feedback on Institution and Teachers were collected on different parameter for evaluation.

- Communication skill of teacher
- Interest generation on courses by the teacher.
- Knowledge base, accessibility to the students.
- Sincerity and commitment of the teacher.
- The feedback on Institution were collected on
- Infrastructure and basic facilities, drinking water, Library facility.
- Teaching and Learning process and frame work.
- Cooperation of the authorities to solve the problems
- Participation of students in literary/Cultural/sports and extracurricular activities
- Motivate the student to participate in seminar, role play, group discussion.

In the above parameter analysis of the student, it is observed that maximum number of student have exercised their satisfaction and positive views. They are well satisfied with the curriculum development and revision.

Suggestion for consideration from student sides.

- More number of regular faculties.
- Up gradation of Laboratories.
- Introduction of skill based curriculum.
- More basic facilities like fan, Light.
- There should be a student help line number.
- Students' issues should be comprehended in time bound manner.
- There should be means of transportation up and through College campus.

Suggestion for consideration from PTA sides:

- Job oriented seminar should be organized taking student's future into consideration.
- Professors should give adequate time in the class and they should encourage the students also.
- We are satisfied with our girl's education.
- Education should be better and facilities for girls should be increased.
- The college's name should be on top in the state.
- Parent level meeting should be held every six months.

Suggestion for consideration from Teachers sides:

- WI FI-facility should be made available in every department.
- Student-teacher ratio should be implemented in the college.
- More number of Reference books should be available in the library.
- Computer facilities should be available for the students. Smart-rooms should be added in the college.
- Vacant posts in both teaching and non teaching staff should be filled in the college as soon as possible.
- For the smooth running of academic, administrative and other activities, vacant posts of principal and professors must be filled through promotion.
- There are issues like Network issues, attendance of students, net issues, voice breaks and students have difficulties in joining online classes due to network.
- Due to blended nature of examination, students' knowledge in their respective subjects has decreased.
- Digital lectures training should be organized for the teachers.
- The present evaluation system is not sufficient to explore the inner talent of the students.

Suggestion for consideration from Alumni sides:

- We want our students to be progressive and our children will be sent to college daily.
- I concur with the discussion held under parent teacher meeting and I agree with the regular presence of students. Teacher's responsibility was well executed by you.
