NAAC ACCREDITED – “ B ”

REPORT OF ACADEMIC AUDIT 2023-24

The Academic Audit of various teaching departments of C.L.C. Government Arts and Commerce College, Dhamdha, was conducted on 30 May 2024, by the designated Audit Team as per the guidelines set during the meeting of the Academic Council of the college.

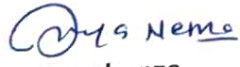

To ensure the effectiveness of the academic audit, a common audit team was constituted for the faculties of Science, Commerce, and Arts.

Key Highlights of the Audit

1. The audit was conducted with active participation from faculty members, students, and non-teaching staff.
2. Meetings were held separately with PTA stakeholder to gather comprehensive insights.
3. Departmental achievements and faculty profiles were thoroughly reviewed.
4. Faculty members shared their best practices and innovative teaching strategies.
5. Value added course on Self-defense was organized.
6. The inclusion of SC/ST/OBC/Minority and Physically Disabled students was evaluated.
7. Performance assessments were based on the seven criteria established by NAAC.
8. Classroom observations focused on teacher-student interactions to assess teaching effectiveness.
9. Feedback from students, teaching and non-teaching staff were analyzed to evaluate faculty performance and departmental outcomes.
10. The curriculum's alignment with academic flexibility and institutional goals was examined.
11. The effectiveness of the teaching-learning process, including methods and tools, was evaluated.
12. Research activities in the commerce research center was assessed.
13. Extension activities, consultancy efforts, and collaborations were reviewed for impact and relevance.
14. The library's role as a learning resource and its accessibility to students and faculty were assessed.
15. Maintenance of departmental infrastructure and facilities was checked for adequacy.
16. Environmental consciousness, innovative practices, and leadership roles were analyzed to identify strengths and areas for improvement.

Conclusion

The academic audit provided valuable insights into the current academic framework, highlighting strengths and identifying areas that need further attention. The findings and recommendations will serve as a roadmap for enhancing the quality of education and institutional performance.
